NOTE:

All totals are estimated and you will be billed at actual costs. To avoid additional costs, please have all rebuild parts on hand and all trainees available upon technician's arrival. Technicians may work up to 12hrs in a 24hr time period. Overtime will be charged for anytime over 8hrs in a day or out of normal business hours of 8am-4pm. A 4-hour minimim service charge will apply for all visits less than 4hrs. A 8-hour service call charge will apply when not needed in plant, but requested to stay local.

"Terms and Conditions: If there is an existing written agreement between Customer and SIG governing the sale of the products or services quoted herein, the terms of that agreement shall apply. In the absence of such agreement, this Quotation and any resulting orders are subject to SIG's General Terms and Conditions of Sale, a current copy of which can be found at https://www.sig.biz/en/general-terms-and-conditions-for-customers ("GTC"). By placing an order, Customer agrees to be bound by the GTC, which are incorporated by reference. Any terms in Customer's purchase order or other documents that are different from, or in addition to, the GTC are expressly rejected and shall have no effect unless accepted by SIG in a signed writing."
